The front parking lot will be used as a playground area for the students due to the mud on the playground behind the school.

Our students need to have a recess area that will not attract mud into the building.

Orange cones have been placed at each entrance to identify the borders of the playground area.

Please do not move or drive through the orange cones during these hours!

Parking will be available in the upper grade parking lot or the lower grade parking lot during these hours.

Your cooperation is appreciated to keep all of our students and staff safe during recess play time.
